

SUBURBAN™

Contract Cleaning

Whether you manage a downtown high rise office building or hundreds of remote branch locations, Suburban is the cleaning company of choice, and has been for over 30 years.

We not only clean your building; we'll pick up your trash, check your fire extinguishers, replace lights as needed...and so much more.

Call us to set up a cleaning program that takes care of your special needs, efficiently and professionally, to your satisfaction.

Routine janitorial services together with our other unique services, make Suburban the best choice to handle the maintenance of your entire facility.

From routine cleaning to special services, Suburban does it all from windows to walls, floors to upholstery, to recycling programs, and so much more. Call us to discuss what Suburban can do for you!

SUBURBAN™ Contract Cleaning

Suburban Companies. Wall to wall, we do it all...and more.

Trash and Recycling Services

Suburban's trash and recycling services; from simple trash pick-up, to building clean-outs, are customized to your needs. Your recycling program, coordinated with our contract cleaning services, provides maximum participation and efficiency.

School Services

Suburban offers a comprehensive janitorial service specifically designed for schools and universities.

Building Services

Suburban offers tradesmen; skilled in interior and exterior repairs, remodeling and construction. We can be your on-call handyman.

Grease Trap Services

Suburban provides complete and comprehensive maintenance necessary to prevent back-ups, eliminate odors, ensure the proper functioning of your drain-line, and avoid costly system failures.

Staffing Services

Suburban offers temporary and/or permanent staffing for industry and business. We specialize in those difficult areas with fluctuating staffing requirements.

SOS

Suburban's manpower and equipment handle a variety of requirements, from one-of-a-kind situations to ongoing projects. If you need it, we will do it.
